## “The City of Lakes”, BHOPAL

Bhopal is known as the City of Lakes for its various natural as well as artificial lakes and is also one of the greenest cities in India. It is the 17<sup>th</sup> largest city in the country. It is also surrounded by several places of tourists interest like Sanchi, Bhojpur, Bheembetika and Udaygiri etc. The city is well connected by Rail, Road and Air.

## About SAGE Group of Institutions (SGI), Bhopal

Sage Group of Institutions, Bhopal (SGI, Bhopal) functions under the patronage of Shri Agrawal Technical Education Society, under the leadership of Er. Sanjeev Agrawal (CMD, The SAGE Group). He is a great motivator, philanthropist and supporter of research. SGI is located on Ayodhya Bypass Road, Bhopal in close vicinity of posh residential colonies. It embodies in itself the following:

- Sagar Institute of Research & Technology (SIRT), Bhopal
- Sagar Institute of Research & Technology-Excellence (SIRT-E), Bhopal
- Sagar Institute of Research , Technology & Science-Pharmacy (SIRTS-P), Bhopal

The SGI takes pride in offering state-of-the-art infrastructure and modern facilities such as specialized labs for Engineering, Pharmacy, Sciences, and Management disciplines, equipped with advanced tools and instruments to facilitate practical learning that create a conducive environment for learning, innovation, and overall development. The building and the interior orientation of class rooms, laboratories, offices, seminar halls etc. are based on vastu principles. A high-speed internet-enabled labs with the latest hardware and licensed software with a seamless wi-fi connectivity across the campus supports e-learning and research activities. The building has a user-friendly architecture, providing wide corridors, spacious and learner friendly class rooms, a big computerized library which are conducive to intellectual and academic pursuits, and also includes administrative buildings, hostel, staff quarters, a playground, an indoor auditorium and parking facilities.

## About conference

The National Conference on Recent Advances in Engineering, Management, Pharmacy & Science (RAEMPS) is a multidisciplinary platform designed to bring together students, researchers and industry professionals to discuss emerging trends, innovative practices, and notable achievements in these critical fields.

The main objectives are:

1. To encourage collaboration across Engineering, Science, Management and Pharmacy to solve complex societal challenges.
2. To provide a platform for researchers, academics, and industry professionals to present their latest achievements, technologies, and advancements.
3. To facilitate the exchange of ideas, methodologies, and experiences among participants to foster innovation and best practices.
4. Bridge the gap between academic research and industry applications to ensure practical relevance and mutual growth.

## Who can Participate?

Students, Research scholars, Industry Professionals and Faculty Mentors from various streams such as **Engineering, Pharmacy, Management, Science, Commerce, Arts, Business Administration & Management.**

We are pleased to invite you to submit your abstracts for the upcoming National Conference on Recent Advances in Engineering, Management, Pharmacy & Science. Original research/review/case study on Recent advances in Engineering, Management, Pharmaceuticals and Applied Sciences are invited for Oral /Poster Presentation.

The "Instructions to Authors" are available on the website [www.sirtbhopal.ac.in](http://www.sirtbhopal.ac.in), [www.sirtebhopal.ac.in](http://www.sirtebhopal.ac.in), [www.sirtsparmacy.ac.in](http://www.sirtsparmacy.ac.in)  
The Conference will publish the proceedings of papers. All the abstracts /papers should be submitted online on **Email - conference052025@gmail.com**
